

Jackie Berkovich RDN, LD

Jackie Berkovich is a registered dietitian who completed her BS degree in nutrition at the University of Georgia and completed her dietetic internship program at the University of Houston. Her experiences include providing nutrition education for seniors and food safety education for kitchen staff at an adult day care.

In addition, she has provided surgical weight management and nonsurgical weight management counseling for both adults and adolescents at Gwinnett Medical Center. Jackie enjoys counseling clients in weight management and general health and wellness. Jackie has worked with our staff and is excited to join the RD team.

Jackie's qualifications include:

- Dietetic internship program from the University of Houston
- BS degree in nutrition from the University of Georgia
- Certificate of Training in Adult Weight Management
- Jackie is a bariatric surgery nutrition specialist
